

Floor LED

DG01-A9P39

Key Features

Superior Weight Support
Designed with advanced structural design to handle up to 1.5 tons/m²

Anti-slip and durable

Customized Interaction Effect
For example underfoot ripple, flowers bloom

Easy installation and maintenance

Applications

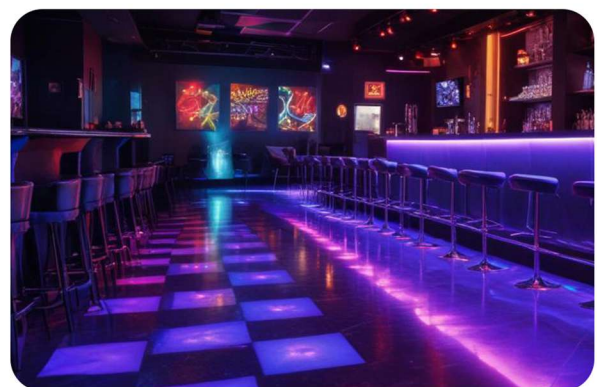

Concert

Stairs

Mall

Bar

Specifications

Pixel pitch (mm)	P3.91
Form Factor	Full color
Density (dots)	65536
Module Size (mm)	250*250
Module Pixel (dots)	4096
Module Thickness (mm)	20
Weight of Module (g)	690
Power Consumption of Module (w)	≤48.5
Drive Voltage	Drive voltage
Module Current	9.7A
Module Interface	HUB-75D/B
