

Installation Guide

D3 Series

Version: 1.2

Due to regular upgrades of systems and products, ZKTeco could not guarantee exact consistency between the actual product and the written information in this manual.

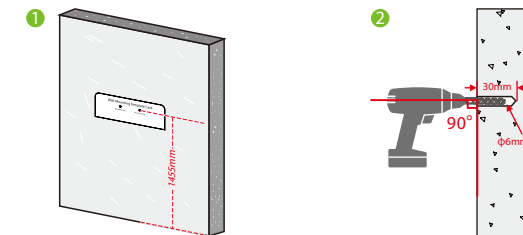

What's in the Box?

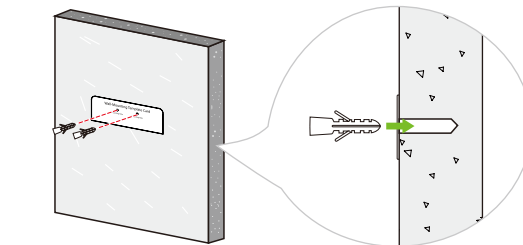

1

How to Install the Device on the Wall?

Step 1: Stick the wall-mounting template card to the wall and drill holes according to the wall-mounting template card.

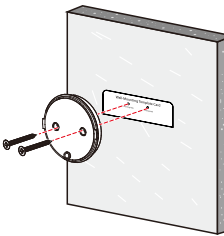

Step 2: Insert the expansion tubes into the mounting holes.

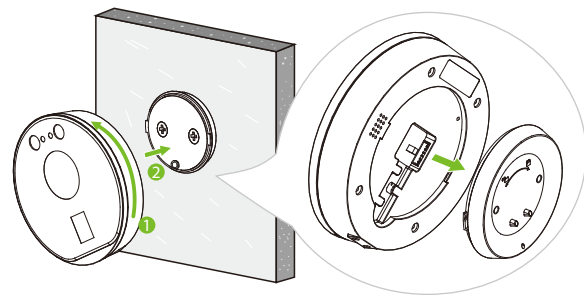

2

Step 3: Attach the bracket on the wall using the wall mounting screws.

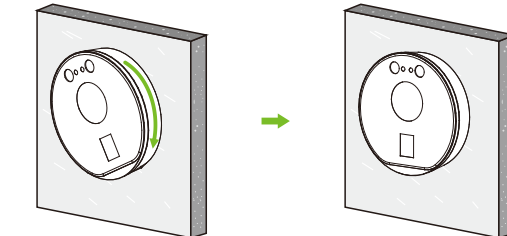

Step 4: Attach the terminal to the bracket.

Note: Before attaching the terminal to the bracket, you need to tilt the terminal to the left at an angle.

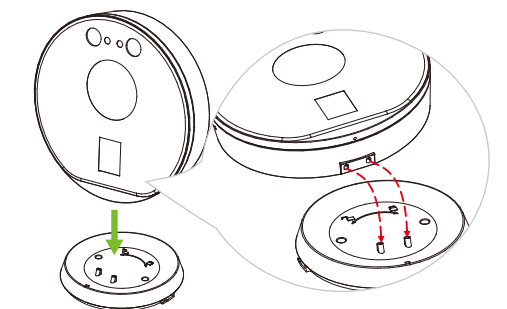

3

Step 5: Rotate the fixing terminal clockwise.

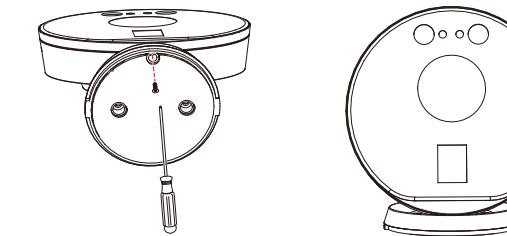

How to Install the Device on the Desktop?

Step 1: Attach the terminal to the bracket.

4

Step 2: Tighten it with a desktop bracket screw.
