

ZKBio Time

Powerful Web-based Time and Attendance Management Software

ZKBio Time is a powerful web-based time and attendance management software that provides a stable connection to ZKTeco's standalone push communication devices with Ethernet/Wi-Fi/GPRS/3G/4G and working as a private cloud to offer employee self-service by mobile application and web browser.

Multiple administrators can access ZKBio Time anywhere with a web browser. As a result, ZKBio Time can easily handle hundreds of devices, thousands of employees and their transactions.

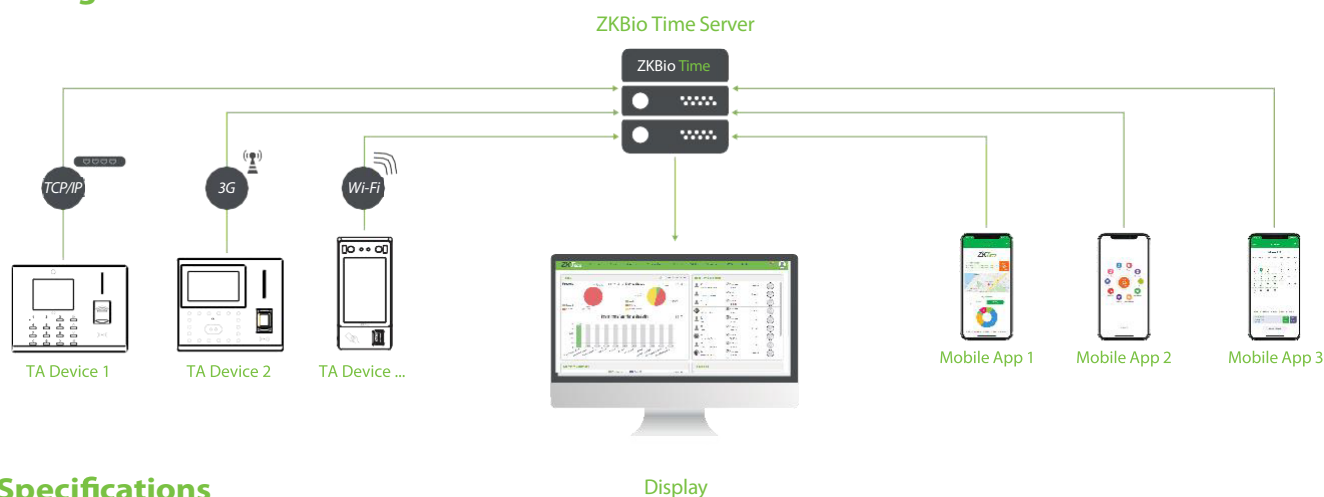

ZKBio Time comes with an intuitive user interface that can manage timetable, shift and schedule and quickly generate attendance reports.

ZKBio Time attained ISO certifications for information security management and data protection measures. ZKBio Time is compliant with ISO/IEC 27001:2013, ISO/IEC 27701:2019 & ISO9001. Also, ZKTeco's after-sales service reached a high standard and achieved ISO20000 certification.

Features

- Web-based Time Attendance Software
- Multiple Kinds of Shift Scheduling
- Employee Self-Service
- E-mail Alert for Request Approval
- Overtime Calculation
